OBJECTIVE : Entry-level Full Stack Developer with hands-on experience in web development and java programming. Skilled in writing clean and efficient code, and collaborating with cross-functional teams.

INTERNSHIPS AND EXPERIENCES

Full stack Intern at why Global Services	sep 2025 -2026
Worked on live project : Gained hands-on experience by applying MERN for live projects.	Present
Qspiders Core Java -Intern	Jan 2025
Core Java Training: Gained hands-on experience by applying core Java concepts into practical .	
Hacker Rank Software Engineer Intern	May 2024
Created frontend application using HTML, CSS and JAVASCRIPT. Made stunning user interface.	
Hacker Rank CSS (basics)	May 2024
Developed Front end application using HTML and basic CSS.	

TECHNICAL SKILLS

Frontend : HTML, CSS, JavaScript ,React, TailwindCSS, Next.js

Backend: Node.js ,Express.js ,REST API,MVC architecture, Git ,GitHub

Databases: Sql ,Mysql,MongoDB.

Operating Environment familiarity: Windows, VS Code, Eclipse , Edit plus.

Soft Skills: Problem-Solving, Teamwork, Communication, Adaptability, Time Management, Attention to Detail

PROJECTS

E-commerce website for mens online Products vs code	Nov 2025
Developed an E-Commerce website for online Products as part of the Project . Utilized frontend technologies ensuring a user friendly user interface . Implemented backend technologies to manage inventory, user authentication , and secure payment Process	
Fabric defect detection using Deep Learning Google Colab,Jupyter	Feb 2023
- Our project focused on fabric defect detection using deep learning techniques. By employing a Convolutional Neural Network (CNN) algorithm, we achieved precise and accurate identification of defects in fabric materials. - This approach enhances quality control in textile manufacturing.	
Dynamic Blockchain adoption for online agricultural Products Eclipse	May 2024
Developed Blockchain-based system for buying and selling agricultural products directly connecting farmers and consumers while eliminating intermediaries .Block chain for secure transaction and AWS for cloud based storage.	

EDUCATION

PANIMALAR INSTITUTE OF TECHNOLOGY	Nov 2020 - June 2024
Bachelor of Computer Science and Engineering	
HSC	June 2019- march 2020
Sunbeam schools , Vellore	
SSLC	Jun 2017 - March 2018
Sunbeam schools , Vellore	

ACHIEVEMENTS/CERTIFICATES

- Proposed and conducted an Inter- Department technical Symposium for 400 students**
- Conducted a total of 4 technical event .
- Participated in various Inter-Collage competitions with certificates.

LANGUAGES

English, Kannada, Telugu, Tamil.
